Ms. Whitehead has appeared as a lead actress in the feature film, *Praying the Hours*, that is currently in production in Los Angeles and has participated in the soundtrack recordings of Hanna Barbera's *The Easter Story* and *Jetsons-The Movie*. Ms. Whitehead is perhaps best known for her work in the award-winning film, "*Laundry and Tosca*," which chronicled her calling into the classical music field. "*Laundry and Tosca*" has received worldwide recognition, translated into Farsi and broadcast in the Middle East and has taken Ms. Whitehead to Europe where she was honored for her vocal abilities at a film festival in Milan, Italy.

Through story and song, *Wrappings* investigates the fears, the faith and the hardships Mary and Joseph might have faced as they anticipated the birth of their miracle child, the Messiah. By weaving narrative songs throughout a spoken presentation, Ms. Whitehead takes the listener on a journey to ancient Israel through an imagination of what events leading up to the birth of Jesus may really have looked like two thousand years ago. This journey to an ancient time and place will enrich your perception of the events leading up to the birth of Christ and give you a renewed appreciation for Mary and Joseph's profound faith in God.
